## PREFACE

The CATALOG OF COPYRIGHT ENTRIES is published by authority of sections 210 and 211 of Title 17 of the *United States Code*. Section 210 provides in part: "The current catalog of copyright entries and the index volumes herein provided for shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

Each annual volume is subdivided to represent the classes of material listed in section 5 of Title 17 of the *United States Code*. The table at the end of this preface shows the organization of the *Catalog*, together with a brief listing of the materials principally contained in each part, the symbols used to distinguish the materials, and the prices of semi-annual issues and of the annual subscription to the complete *Catalog*.

Each copyright registration listed in the *Catalog* is recorded in a main entry, which includes a description of the work copyrighted and data relating to the copyright claim (the name of the copyright claimant, the copyright date, the copyright registration number, etc.). Cross-references, and, in some cases, indexes, are provided.

The name of the copyright claimant in each entry is that given in the application for registration. Available information in the records of the Copyright Office relating to subsequent changes of ownership can be obtained upon request and upon payment to the Register of Copyrights of the fee specified in the law for the conduct of a search of the records.

In the case of each registration listed, except for

renewals, the deposit of a copy (or copies) of the work has been made in accordance with the provisions contained in sections 12, 13, or 215 of Title 17 of the *United States Code*, or, in the case of published three-dimensional works of art, there has been compliance with section 202.8 (b) of the regulations of the Copyright Office, published in the Code of Federal Regulations, 1949 Edition, which provides for the deposit of identifying reproductions in lieu of the work itself. To distinguish foreign works, for which two copies have been deposited under section 215 of Title 17 of the *United States Code*, a zero immediately following the class symbol in the registration number has been used.

For a more complete description of the contents of this issue of the *Catalog* see p. vii.

Orders, payable in advance, for all parts of the *Catalog of Copyright Entries* should be sent directly to the Register of Copyrights, Library of Congress, Washington 25, D. C. Orders may be placed for individual issues, as subscriptions for one or more parts or for the complete *Catalog*, and for periods of one or more years. All orders should state clearly the title and the inclusive dates of the part wanted. Checks or money orders should be made payable to the *Register of Copyrights*.

The Copyright Office welcomes inquiries, suggestions, and comments on the content and organization of the *Catalog*. Such communications should be addressed to the Chief of the Cataloging Division, Copyright Office, Library of Congress, Washington 25, D. C.

## HOW TO USE THE CATALOG OF COPYRIGHT ENTRIES, PART 5C

*Renewal Registrations—Music* (Part 5C) lists renewal registrations of music originally registered in Class E or as contributions to periodicals in Class A, and each registration is described in a main entry. These entries are listed in alphabetical order under the titles which appear at the beginning of the entries. Included also in the list are cross-reference entries for other titles given in the main entries. In each case the cross-reference refers the searcher to the title under which the main entry can be found.

Each main entry includes the following information descriptive of the work, if available and applicable:

- 1) Title, and in the case of an excerpt, the title of the work from which it is taken.
- 2) Descriptive phrases indicating the character of the work; e. g., Christmas cantata.
- 3) Names of the authors of words, music, arrangements, etc.
- 4) Information relating to the medium of performance.

Excerpts from such works as operas and musical comedies, are entered under the title of the excerpt

with a cross-reference from the title of the whole work. When a single number in a collection of songs or similar composite work is separately renewed it is entered separately. A work with titles in two or more languages is entered under the first named with cross-reference from the others.

Information relating specifically to the claim of copyright is preceded by the copyright symbol © and includes the following:

- 1) A brief statement of the new matter on which the original copyright was claimed, when the information can be secured from the renewal application or the records of the Copyright Office.
- 2) Date of the original copyright.
- 3) Original registration number.
- 4) Renewal registration number.
- 5) Date of receipt of the renewal application.
- 6) Name of the renewal claimant, followed by an abbreviation in parentheses representing the claimant's statement of the basis of his renewal claim; e. g., John Doe (A) indicates that John Doe has made renewal claim as an author.

## PREFACE

The CATALOG OF COPYRIGHT ENTRIES is published by authority of sections 210 and 211 of Title 17 of the *United States Code*. Section 210 provides in part: "The current catalog of copyright entries and the index volumes herein provided for shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

Each annual volume is subdivided to represent the classes of material listed in section 5 of Title 17 of the *United States Code*. The table at the end of this preface shows the organization of the *Catalog*, the symbols used in the registration numbers to distinguish the classes, and the prices of the semi-annual issues. The annual subscription for each part is twice the price of a single issue and the complete catalog, including all parts, may be secured on a subscription basis for \$20 a year.

Each copyright registration listed in the *Catalog* is recorded in a main entry, which includes a description of the work copyrighted and data relating to the copyright claim (the name of the copyright claimant, the copyright date, the copyright registration number, etc.). Cross-references, and, in some cases, indexes, are provided.

The name of the copyright claimant in each entry is that given in the application for registration. Available information in the records of the Copyright Office relating to subsequent changes of ownership can be obtained upon request and upon payment to the Register of Copyrights of the fee

specified in the law for the conduct of a search of the records.

In the case of each registration listed, except for renewals, the deposit of a copy (or copies) of the work has been made in accordance with the provisions contained in sections 12, 13, or 215 of Title 17 of the *United States Code*, or, in the case of published three-dimensional works of art, there has been compliance with section 202.8 (b) of the regulations of the Copyright Office, published in the Code of Federal Regulations, 1949 Edition, which provides for the deposit of identifying reproductions in lieu of the work itself. To distinguish foreign works, for which two copies have been deposited under section 215 of Title 17 of the *United States Code*, a zero immediately following the class symbol in the registration number has been used.

For a more complete description of the contents of this issue of the *Catalog* see p. vii.

Orders, payable in advance, for all parts of the *Catalog of Copyright Entries* should be sent directly to the Register of Copyrights, Library of Congress, Washington 25, D. C. Orders may be placed for individual issues, as subscriptions for one or more parts or for the complete *Catalog*, and for periods of one or more years. All orders should state clearly the title and the inclusive dates of the part wanted. Checks or money orders should be made payable to the *Register of Copyrights*.

The Copyright Office welcomes inquiries, suggestions, and comments on the content and organization of the *Catalog*. Such communications should

HONEYMOON CRUISE. SEE

Hot patootie land.

I am angling for you.

I want you.

Just one more waltz with you.

New pompadour.

Pango moon.

Persian skies.

Rain, rain, rain.

The whole world's doing it now, charleston.

HONEYMOON LANE. SEE

Gee but I'd like to be bad.

Jersey walk.

Jersey walk, shake 'em up, kid.

The little white house at the end of Honeymoon Lane.

Mary dear, I miss you most of all.

Waddya say we steal away.

THE LAND OF ROMANCE. SEE  
As you dance, so you are.  
First kiss of love.  
Girls and the gimme's.  
Hail to the prince.  
I would like to fondle you.  
Lantern of love.  
Laughing song.  
The magic word.  
The other fellow's girl.  
Romance then and now.  
True love and a ring.  
When romance is gone.  
When the only one meets the only one.
